

THE FUTURE NEEDS EXPERIENCE.

Supplier support by experts and
managers out of the Volkswagen Group world.

AUTOMOTIVE SUPPORT AGENCY – BECAUSE EXPERIENCE IS THE GREATEST GUARANTEE FOR YOUR SUCCESS.

We benefit from many years of experience with the Volkswagen Group. And we implement our client's strategies and goals independently and consistently when we are convinced we can reach them. Our biggest goal: Your satisfaction.

Our services:

- Technical “on-site service” worldwide
- Coaching and development of suppliers
- Project and interim management
- Process analysis, optimisation and management
- Quality management
- Ensuring delivery of components in working order

Benefits for you:

- Expertise from decades of corporate experience
- Short-notice availability of experts and managers
- Worldwide network within the Volkswagen Group
- Expertise shared with your business

To ensure the best possible cooperation, we give personal connections, ethics and fairness the highest priority. In our work, we use direct contact as well as rapid digital communication. In the spirit of a professional partnership.

Whether you are an interested supplier, future cooperation partner or client with a high focus on Volkswagen.

We look forward to hearing from you.
