IT'S ALL ABOUT DIGITALISATION. ONLY OUR SUPPORT STAYS ANALOGUE.

The Automotive Support Agency – a effective interface between Volkswagen AG and its suppliers.

STRATEGY AND ADVICE FOR YOUR SUCCESSFUL AUTOMOTIVE PROJECTS.

The Automotive Support Agency (ASA) of Wolfsburg AG is the best partner for ambitious suppliers due to wide range of experience with cooperative endeavours between suppliers and Volkswagen.

We analyse, coach, manage and optimise work processes and share our expertise with our suppliers.

Whether it's project strategy, market entry, structuring and implementation of qualification measures or supplier development: Our countless projects with Volkswagen AG and its suppliers distinguish us as a reliable partner with experience. And we are passionate about what we do.

Tailored services for your success. You can count on it.

As a project service provider for all Volkswagen Group brands and its subsidiaries we are constantly making successful contacts at the national and international levels and provide project support throughout the world. In doing so we also ensure smooth cooperation with suppliers.

Our services strengthen your business.

We are distinguished by our high degree of consulting expertise, close experience with Volkswagen, efficient communication channels and know-how gained from many successful projects with Volkswagen AG and suppliers. So we can always provide you with technically sound and methodical support.

Experience takes time. Or the Automotive Support Agency.
